Open to Council:

T. Branella thanked R. Boulden for her years of service and would like to get a proclamation for her.

M. Mevoli wants everyone to attend our July 4th celebrations. It's our biggest event every year. He thanked all the DPW employees for helping with the netting in the batting cage at the Barth Field.

J. Granstrom suggested that we put signage up at the waterfront disallowing barbeques late at night and people hanging out past curfew. He says it's a great place for the residents but we need to put restrictions. He also says he cannot view the cameras surrounding the waterfront. It seems to be an electrical problem and D. Domico would let the Borough Electrician know of the issue.

G. Gilbert asked if anything could be done with the trees in the water. D. Domico said that she has been in contact with a couple of agencies that could possibly help with the issue. She says it is hard to access unless its low tide.

Motion to Adjourn – M. Mevoli

2nd – J. McCleary

All in favor: Adjourned.

Ryan Giles
Borough Clerk
